BARBECUE.

A Three Days Carnival of Amusement and Recreation Next Month.

J. T. Brackett is arranging for an elaborate barbecue and celebration at his farm two miles east of town on the 3rd, 4th and 5th of July. A roping contest, races, boating, base ball and other amusements will be features of the occasion. Speakers will be secured and public addresses will be delivered each day. Mr. Brackett has about two miles of water in Little Cabin suitable for boating, and is building a small steamer for the occasion. He has a fine belt of timber on the north bank of the stream which affords abundant shade, and is one of the finest places in the whole country for an old time barbecue and picnic. The country will be billed and the celebration fully advertised.

Now is the Time for Action.

There will be a call meeting of the citizens of the Cherokee nation, at Welch, I. T., Saturday, June 7, at 2 o'clock p. m., to draft resolutions to be presented to the Dawes commission regarding a new treaty. We desire to have every voter in reach of Welch present and get the opinion of each and everyone in regard to the settlement of the affairs of the Cherokee nation, and putting the true condition of our country before congress. The time is now ripe for us to take action, and by doing so we will realize more favors from the federal government than we would should we hold back and not assist in the settlement of the affairs of the country. Come one, come all, and let us make one more grand effort to do our country, our people, our families and our posterity one of the noblest deeds that was ever done to mankind, that of seeing justice done a poor, helpless and oppressed people. By order of Committee. 205-wlt.

Now Appreciated.

The people of Vinita are beginning now to take some pride in the band, and the Chieftain is glad to state the fact. The boys have been more than faithful and they say they intend having the best band in the territory this summer—one that everybody will appreciate. Luman F. Parker, Jr., has donated an elegant collection of new music to them which is appreciated very much. Promoters of the Decoration Day exercises made up the neat sum of \$21 and presented it to the band for their services yesterday. This musical organization will hereafter be known as the "Sequoyah" band of Vinita. Ex-Mayor James R. Sheehan suggested this appropriate name. The next step will be for neat uniforms.

Latest Literary News.

In almost every walk of life there have been great women. But has there ever been a woman who has reached the very highest pinnacle in any field? In the June Cosmopolitan Ella Wheeler Wilcox answers this question in the negative and declares that even in the essentially feminine vocations of cooking, dressmaking and millinery men excel women. "Women" says Mrs. Wilcox, "have not the concentration which gives a clear perspective. They lack system and patience and are distracted by details or turned aside by vanity."

Union Meeting.

A committee of three from each of the Epworth League, the Baptist Young People's Union, and the Christian Endeavor of the Christian church met last night and arranged for a union meeting of the Young People's societies June 9th, at the Christian church at 4 p. m. An organization is then to be effected and union meetings held every six weeks at alternate places. Watch for program and prepare for an interesting meeting. Everybody welcome.

"I found your medicine a blessing to me and my family."

There are women who feel something like a grudge against the children, who, one after another rob their mother of her beauty and strength. Men do not usually realize how much the mother gives to each child to her own loss. Women accept it as part of the obligation of Nature and pay the debt grudgingly. Yet in Nature's plan every child is a new joy and fresh happiness. It isn't the children that steal the mother's strength. It is the unnatural drains and pains which weaken her.

Every woman who has used Dr. Pierce's Favorite Prescription has found in it the one thing woman has waited for. It stops the drains, heals inflammation and ulceration, makes the baby's advent a pleasure and his life a blessing. No opiates or narcotics are contained in "Favorite Prescription."

"I read what your medicine had done for other people," writes Mrs. Edwin H. Gardner, Box 70, Breckwood, Norfolk Co., Mass., "so thought I would try it, and I found that it was a blessing to me and my family. I began in June and took six bottles of your medicine, and three vials of 'Pills.' I took your medicine a year when I was a ten pound girl. I had the saddest time I ever had with any of my children. I have been very well since. I took three bottles of 'Favorite Prescription,' three of 'Golden Medical Discovery,' and three vials of 'Pills.' I had an appetite and could eat much without it distressing me. Before I took the medicine I only weighed 125 pounds, and now I weigh 175."

Dr. Pierce's Pleasant Pellets clear the head by cleansing the body of the corruption which clouds it.
